CITY IMPROVEMENT DIVISION, BANGALORE.

Notice dated 14th December 1920.

Notice is hereby given that sealed tenders for improving the main drain running through the general market will be received in person by the Executive Engineer, City Improvement Division, Bangalore, at his office in V Main road, Chamarajpet, up to 4 P.M. on 15th January 1921. An approximate schedule of quantities and rates as sanctioned is given below. The quantities are to be taken as approximate only subject to alteration. The work should be completed by the end of May 1921.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office, between 12 noon and 5 P.M., on office days.

3. Tenders should be submitted on printed forms which may be obtained at the Office of the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items of work specified will be executed or at what per cent below or above the estimate it will be executed. Rates should be quoted only for units shown in the schedule. Quotations for new units will not be considered.

4 Each tender must be accompanied by a deposit of Rs. 1,000 (one thousand) in cash or currency notes as earnest money and be superscribed " Tender for Removing the Kink of the City Main Drain on the Avenue road and regrading and covering portion of it running through the Market," in default of which the tenders will be rejected.

5. The final acceptance of any tender will rest with the City Improvement Committee, which does not bind itself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. The name of the successful competitor whose tender has been accepted will be posted on the notice board of the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money forfeited without further reference to him.

8. On the final disposal of tenders, the earnest money on rejected tenders will be
